

# Clarkson University

## M.S. In Engineering & Global Operations Management/Graduate Certificate Option Graduate Program

### Application Procedures

1. A completed application form.
2. Three references (professional and/or academic), who can evaluate your work. Your references may submit letters in lieu of these forms. One reference must be from a manager or supervisor.
3. Official transcripts of your entire undergraduate course work. If your undergraduate work was done at Clarkson, we will request a copy of your transcripts from our Registrar's Office.
4. Current resume.
5. 250-500 word essay describing your objectives for pursuing a graduate degree and how Clarkson's graduate and executive programs fit into your objective.

**Note:** GMAT is not required for admission into this program. All entering students must have at least two years of industry experience and be nominated by their company.

Please mail all your materials to:
