

**The Organizing Committee of the  
79<sup>th</sup> ACS Colloid and Surface Science Symposium  
Presents  
A Special Workshop  
That Deals with Issues Related to  
Government-University Collaborations**

**Time: 1:30 – 3:30 PM**

**Date: June 15, 2005**

**Place: 177 CAMP, Clarkson University, Potsdam, NY**

*This event will start with talks by the government speakers. Afterwards, a round table session will commence with university panel members joining the government representatives. The round table discussion will focus on questions-and-answers motivated by the agenda topics prepared by the moderator.*

**Moderator:**
