Group Attributes & Bias

IRB # 16-01

**Earn 1 research credit for PY151**

**Purpose:** The purpose of this study is to examine whether ingroup attributes affect outgroup perceptions.

**Length:** approximately 40 minutes in the lab

**Research Credits:** earn 1 credit toward your PY151 research requirement

**What to Expect:** you will be asked to do a reflection exercise and fill out some questionnaires about your feelings and behaviors. You will also be asked to complete a computerized task. In this task, you will be asked to make various judgments in a timely manner. You must not have vision conditions that impair your reading speed or color perception. You must be 18 to participate. You must be fluent in English.
